Read the extract from the article «MAMMA MIA! Musical Hits von ABBA». In questions 1-6 choose the correct answer a, b or c

Kathy, the musical star is one of the youngest members of the cast of MAMMA MIA!, the ABBA musical that has been running in Hamburg since November 2002. Together with around 40 singers, she goes on stage eight times a week and enraptures the audience with ABBA's immortal hits. The restless young singer with the long red hair plays the part of 21-year-old Sophie, who lives on a Greek island with her mother Donna and wants to find out who her real father is before she marries.

After huge successes in London, Toronto, Melbourne, Los Angeles, New York and San Francisco "MAMMA MIA!" is now being performed at the Hamburg Operetta House – the first non-English production. The curtain goes up almost every day to allow the audience to enjoy hits like "Take a Chance on Me". The positive feel to the music soon has the audience singing along, and the show finishes with standing ovations every night.

Kathy is thrilled to be a musical star. Every evening she and the rest of the cast sing and dance in front of a different audience. The people who come to watch the musical expect to be entertained.

Before Kathy got a part in "MAMMA MIA!", she trained as a musical performer. At the age of 14 she started singing lessons. She took [art in amateur dramatics, sang with school bands and danced on stage. "The fascinating thing about musicals is that they are a combination of singing, dancing and acting", she explains. The training she did was tough, but she covered all "stage disciplines". To conclude her studies, Kathy had to take a one-hour exam.

The way this musical came about is rather unusual. Normally, here is a story first and then the music is composed and songs written to accompany the plot. In the case of "MAMMA

MIA!” it is the other way round. The songs were already successes before it dawned on anyone to make a musical. Even Bjorn Ulvaeus, composer of almost all ABBA’s hits, was thrilled to discover he had written the music for a musical he “didn’t know existed”.
